

CARING FOR THE ENVIRONMENT

St. James' Power Supply Mix

2018 RESOURCE MIX FOR ST. JAMES

Our diverse mix of power supply resources results in reliable, affordable and environmentally friendly electric service for St. James' citizens and businesses.

Renewable resources continue to be added to the mix. A small solar project was added in 2016 and a new hydroelectric project is under construction.

To learn more, call us today at (507) 375-3241.

72% St. James' percentage of renewable power supply
78% St. James' percentage of carbon-free power supply
