

In order to meet the expectations of the 1 Star criteria for the Best Practice No. 8 – Action No. 2 (Locate or lease a school, city building, or other govt. facility with two of the following attributes), the City of Warren has a T-shaped block where both the elementary and secondary schools are located next to both the city government building (city hall), the Marshall County courthouse, and the Marshall County police station which are all accessible by pedestrians and through bike paths. ⁱ

ⁱ BP No. 8 – Action No. 2 – 1 Star

To meet the expectations of the 2 Star criteria, the City of Warren has significantly fewer parking spaces in relation to the parking standard due to shared parking between the elementary and secondary schools as well as municipal lots for the courthouse and police station as these buildings are conjoined. All of these sites are within reasonable distance to walk or bike.
